

# Vineyard Crew

Bainbridge Vineyards is looking for someone to join our farm crew! This is a chance to learn how to care for beautiful old grape vines throughout the season. If you enjoy being outside and can balance attention to detail with quick pacing, this is an opportunity to gain new appreciation of what goes into a glass of wine. Farming or similar outdoor work experience is helpful but not required.

While the nature of farming requires repetitive and sometimes challenging movements, we highly value body health and do our best to ensure people are not pushed past their limits. Due to the nature of being a small crew, there is the opportunity to get involved in many realms of both the vineyard and winery; having flexibility and willingness to do a variety of tasks is key.

## About Us

At Bainbridge Vineyards, we are passionate about creating wine from the ground up. As a small, woman-led vineyard and winery, we've been growing grapes and making wine exclusively from our certified-organic vineyards since 2013. Located on 40 acres of shared farmland, we tend to rare and elegant varietals that thrive in the Puget Sound. We are the first Certified B Corp winery in Washington State, meeting high standards valuing social and environmental impact. We hand tend 8+ acres with the goals of caring for the earth in a sustainable way, promoting a healthy work- life balance, and creating a welcoming atmosphere for our local community.

## Qualifications

- Enthusiastic self-starter and able to solve problems
- Interest in and desire to learn about farming and cool climate wines.
- Can work in a small group setting and independently with direction.
- Ability to lift up to 50 lbs and stand for long periods of time. Repetitive motions like pushing, pulling, kneeling, squatting, reaching, grabbing required.

Compensation: Starting \$16.50/hour + tips (additional \$1-2/hr). Wine credit.

Approx. hours per week: 16-24 vineyards, optional additional tasting room hours available (see Tasting Room Crew listing).

To apply, please email your resume and a cover letter explaining why you would be a good fit for our team to [betsey@bainbridgevineyards.com](mailto:betsey@bainbridgevineyards.com) with the subject line "Vineyard Crew". Wit and candor welcome.
